ATOMIC PRO CENTER ·

EAST COAST HOME OF THE SALOMON RACE LINE

THE BOOT LAB & TUNE BENCH

WATCH A FRESH EDGE COME TO LIFE

Our techs hand-tune every pair in a state-of-the-art facility — the Montana stone grinder, race-room standards, every service itemized and priced. Stop in and let us get your skis winter-ready before the snow flies.

THE BOOT LAB

SERVICES & TUNING

WE DON'T JUST SELL GEAR, WE TEST IT.

Skis sold from a Datsun pickup in 1974. Snowboarding brought east in '88. The same family standard, fifty years on.

OUR STORY SINCE 1974

4.7 STARS ACROSS BOTH STORES

Curated Google-review pull quotes, managed in Payload — rating and count protected and promoted.

”

“They spent two hours getting my boots right — the difference on snow was immediate.”

Google review

Fitting · verified

”

“Reserved online on the drive up, gear was staged when we walked in. Ten minutes, done.”

Google review

Rentals · verified

”

“Race-day edge work you can feel. The stone grind is worth every dollar.”

Google review

Tuning · verified

”

“E-bike test ride turned into a purchase; service since has been flawless.”

RESERVE RENTALS

LINCOLN, NEW HAMPSHIRE

RODGERS SKI & SPORT — LINCOLN

5 Railroad St, Lincoln, NH 03251 · (603) 745-8347 · Open every day 8:30–5

HOME / LINCOLN, NH

THE LOCATION ADVANTAGE

FIRST SHOP SKIERS REACH OFF I-93

Heading to Loon and the White Mountains: reserve ahead, gear up, and skip the base-area traffic. Minutes from Loon, on the way from Boston.

New Hampshire has no sales tax. A real reason Boston-bound-for-Loon traffic stops here.

RESERVE RENTALS

DEPARTMENTS

Skis, snowboards, bikes, and everything in between — the largest gear selection in the East.

SKI

The East's deep alpine wall, staffed by people who ski it.

SNOWBOARD

Riding east since '88 — the Mothership heritage.

BIKES

Trek & Electra, e-bikes, and White Mountains riding.

SERVICES & TUNING

Transparent menus, named machines, honest turnaround.

ACCESSORIES

Forgot something on the way up? We're the first exit.

APPAREL

22 outerwear brands for East Coast conditions.

THE BOOT LAB

CUSTOM FITTING, RACE PREP, CANTING

The flagship service — FIS and USSA boot prep, stance and alignment, custom insoles. Appointments recommended; required for custom race work.

THE BOOT LAB

JUNIOR PACKAGES FROM \$16/DAY

Reserve online, gear staged for pickup, skip the base-lodge line.

RESERVE RENTALS

TURNAROUND, HONESTLY STATED

Expectations by season — peak-week honesty beats missed promises. Holiday-week tunes queue longer; we say so up front.

RESERVE RENTALS

BOOT WORK

Summary menu here — full detail and race services on the Boot Lab page.

THE BOOT LAB

DROP-OFF QUESTIONS

FAQ schema behind every answer.

How long does a tune take?

Depends on the season — we state current turnaround at drop-off and here. Holiday weeks run longer; day-of race tunes need an appointment.

Can I drop off after hours?

What does the damage waiver cover?

THE BOOT LAB AT RODGERS

Custom boot fitting and race prep — passionate, experienced techs in a state-of-the-art facility.

WHY FIT IS EVERYTHING

Technicians named, credentials listed, process in the open.

1

ASSESS
Feet, stance, and how you actually ski.

2

SELECT
Shell fit first — Atomic Hawx, Nordica, Salomon.

3

BUILD
Footbeds, molding, punches, canting.

4

PROVE
On-snow follow-up; we adjust until it's right.

👤

Technician name
Credentials · years at the bench

👤

RACE SERVICES

SERVICE	PRICE
FIS Boot Prep	\$300
USSA Boot Prep	\$200
Canting	\$75/foot
Stance & alignment	\$50
Lifters	\$65

Race boot purchase does not include service — stated up front.

EVERYDAY SERVICES

SERVICE	PRICE
Custom insoles	\$200
Punch or grind	\$35
Heat molding (Lincoln)	Menu
Shell Heat Mold (Scarborough)	\$50
Liner Heat Mold (Scarborough)	\$40

RACE CORNER

THE ONLY EAST COAST SHOP CARRYING SALOMON'S RETURNING RACE LINE

Plus Atomic Pro Center status — in plain language, on the page, where race families and search engines can read it.

AT EACH STORE

Lincoln: full race prep and custom fitting.
Scarborough: heat molding, punch work, spot grind.

FIT GUARANTEE

If adopted: fit guaranteed with footbed purchase — strong and cheap to honor.

BEFORE YOU BOOK

Appointments recommended; required for custom race work.

How long does a fitting take?

Plan on 60–90 minutes for a full fit; race builds run longer. Appointments recommended; required for custom race work.

What should I bring?

Do race boots include service?

REVIEW RESERVATION

Reserving adds you to the Rodgers email list — stated plainly, unsubscribe anytime. You'll see a confirmation screen before anything is submitted, and a plain-language confirmation email after.

WHY RESERVE?

Your gear is staged before you arrive. Every reservation writes to the daily pickup list, so the floor crew has you sized and racked — a February Saturday matters.

LINCOLN RATES

PKG	1D/3D/5D/WK
Junior	\$16/\$30/\$42/\$60
Demo Pro	\$60/\$118/\$175/\$280
Waiver	\$2/day

Scarborough availability

SEASONAL LEASES

KIDS GROW. LEASES FIT.

The family program — sign-up window opens in the fall; lease pricing and renewal reminders by email.

JOIN THE LEASE LIST

RENTAL QUESTIONS

FAQ schema on every policy answer.

What's included in a package?

—

Skis or board, boots, poles, and a helmet option — stated per tier.

How does sizing work?

+

What is the damage waiver?

+

How does the consecutive-day rule work?

+

What is the cancellation policy?

+

Groups & race teams: school programs, clubs, and race teams — **talk to us directly** and we'll set gear aside.

ABOUT RODGERS

FROM A DATSUN PICKUP TO THE GOLD MEDAL STANDARD

Fifty years, two stores, one family standard — and the people behind it.

[HOME](#) / [ABOUT](#)

OUR STORY, YEAR BY YEAR

From a pickup truck at Plymouth State to two stores and a race room.

1974

Skis sold from a Datsun pickup at Plymouth State

1981

First Rodgers Ski Outlet opens in Lincoln

1986

Scarborough

1988

Rodgers brings snowboarding east

1996

Mothership Snowboard Shop

2006

Ski Magazine Gold Medal Shop

2008

The Lincoln flagship opens

2026

New ownership, same family standard
